

MRS. DANIEL ENTERTAINED ON RECENT VISIT

Mrs. Frank Daniel (Sibley) has returned to Elba after a visit to Miss Nell Walker in Auburn and Mrs. Lucille Blue and family in Hartsboro. She was the honoree of many lovely parties while visiting these cities. On the evening before her departure, she was the guest of honor at a lovely bridge party at the home of Mr. and Mrs. Frank Ellison with Mr. and Mrs. Leroy Upshaw as joint host and hostess.

The spacious living room and music room were lovely in a proportion of summer flowers. There were eight tables of bridge. After a most delightful evening the hostesses, assisted by Mrs. Herman Ellison and Miss Camilla Ellison, served a delicious congealed chicken salad plate with iced tea.

Mrs. Daniel was attractively gowned in an evening dress of white eyelet embroidery fashioned with a sweetheart neckline and a full skirt. Her corage was of sweetest roses.

Mrs. J. C. Dixon, Miss Martha Ann Dixon, Mrs. P. H. Talbot, Mrs. Wesley Harris and Robert English have returned from a visit to Hollywood, Fla.

MISS EVA MORRIS ENTERTAINS CIRCLE

The Business Women's Circle of the Baptist W. M. U. held its meeting for a mission program on Monday evening, July 7, with Miss Eva Morris serving as hostess in the home of Mrs. W. H. Cotton on Davis street.

Summer flowers were attractively arranged in decoration of the living room where the group was assembled.

Mrs. J. W. Kendrick, president, opened the meeting and conducted the business which consisted of committee reports and other routine matters.

Roll call and minutes of last meeting were read by Miss Elsie Sellers, secretary.

Mrs. R. L. Martin gave the devotional, and Mrs. J. A. Timmerman presented the program entitled in "Royal Service."

The meeting was dismissed with prayer and a delightful social hour followed.

After a period of informal entertainment, Miss Morris invited her guests to the ice cream parlor for a refreshing ice course.

The following ladies were present: Mrs. J. W. Kendrick, Mrs. J. A. Timmerman, Miss Elsie Sellers, Mrs. Baxter Bryan, Mrs. Mary Esther Grimes, Mrs. R. L. Martin, Miss Eva Morris and one visitor, Miss Nell Windham.

Messrs. J. M. and Jake Bonneau, Mr. and Mrs. Walter Bonneau and son, Harry, visited Camp Blending, St. Augustine, Silver Springs and other Florida points last week.

Dr. and Mrs. W. M. Ringsdorf and children and Mrs. Ringsdorf's mother, Mrs. Frazier, of Lafayette, spent Friday, Saturday and Sunday at Bethlehem Camp Meeting.

The girls and their families present were Cora Reeves and Ovie Daniels.

After prayer, thanking God for meeting of these children and praying that our lives be dedicated to the service of the Lord, we feasted under the shade of the large oak trees.

We were amused over the foot races of these boys. Some of them ran very fast, especially Bailey Gee! that boy can run!

We will meet next year with Horace at Abbeville.

When parting time came all departed like they arrived. Guess the boys and Tump felt like a storm had passed over. We pray that we may have many more such meetings.

MRS. MEIGHAN HONORED AT MISCELLANEOUS SHOWER

Mrs. Herbert Meighan, Jr., of Gadsden, who before her recent marriage was Miss Louise Tucker of Elba, was honored at a lovely miscellaneous shower in the home of Miss Nell Brock on Smith Avenue Friday afternoon from five to six.

Serving as hostesses for this affair were Miss Gladys Clark, Mrs. Hohen Michel, Mrs. Charles Hayes, Mrs. John Kendrick, Mrs. Walter Whitman, Mrs. Harold English, Mrs. Gethere Pinckard, Mrs. Walter Whitman, Mrs. Fred Prescott, Mrs. Gladys Gladiol and roses combined in attractive arrangement made a lovely centerpiece.

Mrs. Walter Whitman, Jr., gowned in white marquisette, greeted the guests and presented them to the receiving line composed of Miss Nell Brock, wearing a lovely gown of blue and white, and Mrs. Charles Hayes, who wore a gown of pink and white.

Mrs. Herbert Meighan, Jr., the honoree, who was lovely in a costume of blue and white, was dressed in a gown of blue and white, and full-skirted and trimmed at the waist line with a bouquet of violets.

She wore in her hair a band of orchid flowers tied with purple ribbon. Mrs. W. M. Tucker, mother of the bride, who wore an attractive model green and white sheer with corsage of pink roses, and two recent brides, Mrs. Frank Wilkes, dressed in white mousseline de soire over plaid tulle, and Mrs. Charles Brown, who wore pale blue net over tulle.

Mrs. J. W. Kendrick, wearing light blue chiffon, invited the guests to the dining room for a delightful afternoon refreshment.

A color note of pink, green and white was emphasized in the dining room. The table, laid with exquisite lace cloth over green satin, was centered with a bowl of pink roses banked by green candles in crystal holders. Embossed cakes and brick cream tarts in green and white and salted nuts were served by Mrs. John Kendrick, dressed in flesh crepe; Mrs. Hohen Michel, in black net; Mrs. Charles Hayes, in black lace over gold tulle; Mrs. Jeff Carrington, in black net; and Mrs. Gladys Clark, who was gowned in flowered plique, presided over the bride's book.

The numerous lovely gifts were displayed by Mrs. Doris Pinckard, who wore a gown of blue and white. Mrs. Horace Brock, wearing printed crepe, with luggage pre-arranged for the return trip, and Mrs. Wright, wearing white embroidered plique, assisted in entertaining and furnishing merriment during the hour when seventy-five guests called.

DOZEN SONS AND THREE DAUGHTERS HOLD REUNION

Sons and daughters of the late F. G. Bartow Maddox met on July Fourth at the home of one of the twins, C. C. Maddox, in Covington County. All of the fifteen living children were present except Mrs. J. B. (Glenn) Vaughn.

The twelve brothers who were all present were: Watus, Horace, Coot, Matthew, Louie, Wain, Tump, Bartow, Jr., Lethor, Bailey, Buddy, and Cephus. By the way, the sum of their ages is 537 years.

The brothers and their families arrived about 10 o'clock. It so happened that they met within five minutes of the same time, except Cephus, who was an hour late, but his family was there right on time.

Our father was a man who loved his family dearly. We know all normal fathers love their children, but it seems that Daddy was especially devoted to his average. He always delighted in speaking of his twelve boys who were grown up and scattered all over the country.

After a period of informal entertainment, Miss Morris invited her guests to the ice cream parlor for a refreshing ice course.

The following ladies were present: Mrs. J. W. Kendrick, Mrs. J. A. Timmerman, Miss Elsie Sellers, Mrs. Baxter Bryan, Mrs. Mary Esther Grimes, Mrs. R. L. Martin, Miss Eva Morris and one visitor, Miss Nell Windham.

RAN MCCOLLOUGH BRINGS
FIRST OPEN COTTON BOLL

Ran McCollough, Elba merchant-farmer, brought to the Elba office last Friday morning the first open cotton boll we have seen this season. He also exhibited three cotton stalks containing seventeen bolls, all just ready to "pop open."

McCullough said he pulled the stalks from his 23-acre field on the Dock Park place, at the north end of Smith Avenue. He stated that so far as he could determine, there is not a boll weevil in the entire field, and with reasonably favorable weather from now on, he should begin picking by the first week in August. This field was planted the third week in March and is one of the earliest crops in this section.

McCullough stated that while there is no weevil in this 23-acre field, he has a ten-acre patch down near the river in which there is considerable weevil. He attributes the difference to the fact that the 23-acre field is away from the river and brush thickets, whereas the other field is near woods and brush. He does not believe that the weevil is "much of a migratory bird," but settles down and does its nefarious work right where it happens to be.

LETTER FROM MR. SPURLIN

Dear Editor and Readers:

I am again, feeling fine. Am at Dothan, Florida. Mr. Wilber Donaldson of Troy, formerly of Curtis, brought me Mr. E. H. Hines' Sunday afternoon, the 12th. Wish I could make him understand how much I appreciate this. These folks are like me in a way—poor and had no conveyance to come for me. This makes me appreciate Mr. Donaldson's kindness all the more. But if people should quit being kind to me, what would be the result? I would like to live for me, and say and do things I should not.

Mr. Hines' mother was a Spurlin. I also have several other relatives in this community and some friends, so I may be here several weeks.

People don't farm much here—almost no cotton. Their crops are fairly good but there has been and still is too much rain.

We had our reunion the fifth of this month. Twelve of us from Troy and sisters are living and all were present at the reunion except the oldest sister, who is in Phenix City. I always enjoyed this occasion so much. We are to continue having it on Saturday before the first Sunday in July of each year.

I have already seen several of the folks of this community and it was glad to see them since it had been almost four years since visiting here. These people have always been nice to me and of course expect me to again, although I am disappointed sometimes for I had a little girl friend I thought she had before been so nice to me but I saw her a few weeks ago and she greeted me like an angel. I met her and what could I do about it. Bear it like a man, and that made it harder.

Am near enough to Eglin Air Field that I can hear planes all most all day and a few at night. Often there are five together, and Am leaving now, asking God's blessings on all who deserve them.

Lonnie Spurlin.

Mr. Huey Addresses Farm Loan
Association Here Last Friday;
Reports Heard, Directors Named

The serious war situation which exists in the world today and the importance of agriculture in the solution of the defense problems here in America were the principal phases of the discussion carried on by Mr. W. S. Huey of Enterprise, at the annual shareholders' meeting of the Pea River National Farm Loan Association which was held July 18th in the courthouse at Elba. Comparisons between the national income and the resources of the Axis powers with those of the United States and Great Britain were made to show our need for a speed-up in the manufacture of war materials and the development of an effective increase in our agricultural production.

McCullough said he pulled the stalks from his 23-acre field on the Dock Park place, at the north end of Smith Avenue. THE HOLY SPIRIT INSPIRES
NEW TESTAMENT LETTERS

LESSON TEXT—Galatians 1:11, 12; 1:13-14; 2:1-10; 3:1-14; 5:1-14; 6:1-16.
GOLDEN TEXT—All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness.—2 Timothy 3:16.

Letters are usually interesting, frequently very important, and always revealing as to the character and interests of the writer. That is generally true of ordinary letters, but how very true it is of the letters of Scripture, the epistles of Peter, Paul, Jude, and John. For in them "holy men of God" speak as they were moved by the Holy Spirit. This is needed not alone for the enjoyment of the message, but for the understanding of it.

The Gospel (Gal. 1:11, 12; 1:13-14; 2:1-10; 3:1-14; 5:1-14; 6:1-16).

The good news (for that is the meaning of "gospel") of salvation by grace through faith in Jesus Christ as Saviour has come from the very beginning of its proclamation here on earth. Men are not content to receive it as a gift of salvation, but want to add something to it, to make it more their own. This is the danger of the "works" religion, but a message that he had "prayed down." Paul was only delivering that which he had received from God (see I Cor. 15:14). He was careful that it should not be "falsified" but rather the teachings of men, so he "conferred not with flesh and blood" (see Gal. 2:15, 16).

We too are privileged to proclaim a divine revelation which has come to us in the inspired Word of God. How delightfully sweet and tremendous power it is the message which we have received. It has no human frailty and weakness, no human error, and no misleading influence. It is the Word of God, and it is to be received every year or two. It is God's eternal message of redemption.

A Message of Salvation (I Thess. 2:13).

It works in those who believe. It does—blessed be the name of God! God's Word says so, and the experience of hundreds of thousands of men and women over a period of almost 2,000 years agrees. Note, however, that to work, the message must not be "received," but also "accepted" as the Word of God. The message of the Bible may be received as a matter of fact, but for salvation it must be accepted and believed as the Word of God.

II. The Bible (II Tim. 3:14-17; I Pet. 3:14-16).

Be sure to read this passage in the Authorized Version. The Revised has taken liberties with the verse which the most scholars do not countenance. It properly reads: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction, etc." Other books may claim some kind of measure of human inspiration—this Book is inspired of God. If there were space, proof of the truth of that statement could easily be given. It is available for all to believe it.

2. It is Not to Be Wreathed (I Pet. 3:14-16).

If permitted to do so, God's Word will bring peace of heart, make a man spotless and blameless (v. 14). But its salvation (v. 16) is not for those who ignorantly, or because of their ignorance, or because they are not steadfast in their lives, wear it truth. Let us receive the Word with gladness, not twist it or distort its meaning to our own destruction.

III. The Faith (Jude 3).

1. It was "Delivered Once for All" (Jude 3).

It is a final revelation from God. There is no other gospel, and there never will be another. What assurance that gives us both in believing and in proclaiming it! But the world hates this gospel, and attacks on it are to be expected. Therefore

2. It is To Be Earnestly Contended For.

No matter how peaceable we may be, how loving and unassuming, "if and when attack is made upon the Lordship of Christ, when men make light of sin, and so on, to minimize the vital importance of holiness of life—then, however unpleasant contention and controversy may be to us, it is time to stand up and defend our faith and content earnestly for the faith once delivered to the saints." (J. D. Jones).

YOU, TOO, Have An Important Place In This Program

ALABAMA'S Alcoholic Beverage Control Board, state, county, and city law-enforcement agencies are constantly seeking to improve the generally good conditions surrounding the retail sale of beer in Alabama. The beer industry itself, through its self-regulation program, is cooperating in this work.

BUT—law enforcement agencies and the brewing industry both recognize that no program can be entirely successful without the approval and active support of law-abiding citizens.

We would like you—every citizen—to help eliminate the scattered few retail beer outlets that persist in violating the law.

You can do this by patronizing only the clean, reputable outlets and by reporting to our Committee any outlet whose operation is not as wholesome as beer itself.

ALABAMA LEADS NATION IN 4-H CLUB MEMBERSHIP

Four-H Club enrollment for 1940 shows an increase of 2,000 over the previous year, the U. S. Department of Agriculture reports. The report, by L. M. Ware, extension director of the Alabama Department of Agriculture, shows 1,420,297 boys and girls in 4-H clubs in Alabama, compared with 1,418,297 in 1939. The report also shows that 79,721 4-H clubs. Greatest membership gains are reported in the Southern States, Alabama again leading with a membership of 115,000.

NOT INCIDENTAL

Not incidental—but of prime importance—is the fact that Mr. W. T. Mock was the last case of the disease in this community. Mr. W. T. Mock was the last case of the disease in this community. Mr. W. T. Mock was the last case of the disease in this community.

It seems that everybody is doing fine, as there has been a lot of visiting in and out of the community.

Mrs. Cattle Phillips has returned from a trip back up near Double Heads where she has been with her brother, Mr. C. E. Ashberry, who has been very ill, but is better. Mrs. Maggie Durkin came back with her to spend a few days.

Mrs. Maggie Donaldson had for her guests last week, Mrs. Jewel Batten and children, Maudie and Hattie, of Orlando, Fla., and Mrs. Mattie Durham of Samson, who is still with Mrs. Donaldson.

Mr. and Mrs. J. E. Donaldson and Mr. and Mrs. J. P. McCall of New Brockton visited several days in Florida last Wednesday and Thursday and reported a good time.

Mrs. J. W. Moore spent Sunday with Mrs. Maggie Donaldson.

Mr. and Mrs. Jim G. Wise and Mrs. C. H. Shaw have returned from a trip to Detroit, Mich., and Canada. They report a fine trip.

This being the week after the third Sunday, the Baptist Church will have its revival. We ask everybody to come and enjoy the service.

Well, as the rains have held on for the past three weeks, crops are doing about as well as could be expected. The soil is very dry, and the crops are suffering. The soil is very dry, and the crops are suffering.

Will close with best wishes. "Jesus Me."

CRYOLITE AND TALC WILL DESTROY BLISTER BEETLE

Blister beetles now attacking leaves of tomatoes, egg plants, Irish potatoes and beans can be controlled by dusting with one part of cryolite and three parts of talc.

A mighty good dinner was served by the church.

Gardenia Queen Chooses Chevrolet

Pretty Martha Mitchell, queen of the Gardenia Festival at the famous Gardenia Gardens in Florida, just put her royal seal of approval on the Chevrolet Convertible Cabriolet—the outdoor car—by purchasing one for her own use. Ever willing to oblige by posing for the hundreds of camera flashes which the Gardenia Gardens have for picture-taking, Queen Martha can now reach location quickly and flood herself with sunshine by rolling back the sun-om-operated top at the touch of a dash button.

COTTON BAGGING PROGRAM CONTINUES INTO 1941-42

The cotton-bagging-for-cotton program, launched January 27, 1941, will be continued into the new fiscal year of 1941-42.

Under the program manufacturers have an opportunity to make and sell 2,000,000 cotton "patterns" or bale coverings for part of the 1941 cotton crop.

Federal payments at 15 cents per pattern will be made to approved manufacturers who agree to make patterns as specified and sell them to cotton producers.
